

# Navaraj Poudel

## Web Developer

I am a hardworking and ambitious individual with a genuine passion for programming and coding. I am known for my strong time management skills, always ensuring punctuality and a commitment to learning new skills. With a friendly and helpful demeanor, I possess a good sense of humor and the ability to work both independently in a fast-paced environment and collaboratively within a team.

## EDUCATION

### Bachelor in Electronics,communication and information Engineering

Tribhuvan University,IOE,Pashchimanchal Campus

11/2018 - 05/2023

Pokhara, Nepal

### Science

Kanti college

04/2016 - 04/2018

Butwal, Nepal

## PROJECTS

### Trek Monitoring System | Minor Project

- we have created a trek monitoring system where the sensors captures the information regarding the health of the trekkers and displays it in the website in remote computer
- <https://github.com/yogijagdish/minor-project.git>

### ELECTRONIC HEALTH RECORD MANAGEMENT SYSTEM USING RFID | Major Project

- The EHRMS integrates RFID technology to automate patient identification and streamline record management, improving efficiency and data accuracy in healthcare systems. It enables real-time access to patient records, leading to enhanced patient care and transformative changes in healthcare record management.
- [https://github.com/Navaraj-Poudel/Electronic\\_Health\\_Record\\_Management\\_System\\_Using\\_RFID\\_Card.git](https://github.com/Navaraj-Poudel/Electronic_Health_Record_Management_System_Using_RFID_Card.git)

### News App

- News apps gather articles and news stories from various sources, such as newspapers, magazines, blogs, and online news outlets, and present them in website. Users can customize their news feed based on their interests, location, preferred topics, or selected sources.
- <https://github.com/Navaraj-Poudel/Newsapps.git>

### TextUtils

- TextUtils is an app with features like case conversion (upper/lower), text copying, extra space removal.It also provides word and character counting functionality.
- <https://github.com/Navaraj-Poudel/TextUtils>
